YALE HEALTH COVERAGE

October 24, 2023

World Class Care... all in one building

Experienced, Board-Certified Providers

Comprehensive medical care

On-site pharmacy, blood draw, diagnostic imaging

An emphasis on wellness care, with numerous education programs.

Yale Health is a health maintenance organization (HMO), exclusively for Yale University staff, faculty, students, and eligible dependents.

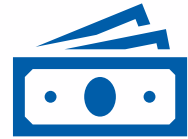

As an HMO, most care and services are provided right at Yale Health Center.

Care | Cost | Coverage | Convenience

Behavioral Health

24 hours/day – 7 days/week

- Magellan Health Services provides confidential mental health treatment for stress, depression, and anxiety, as well as other mental health and substance abuse issues.
- In-person (community-based) visits with providers.
- Telehealth visits.
- Yale Health members do not need a referral from their primary care provider to call Magellan.

Wellness Care

Yale Health encourages you to work in partnership with our staff to manage your health. Health topics resources are available on our website, in newsletters, and in monthly Yale Health webinars.

Health Topics include:

- Allergy Tips
- Asthma
- Cholesterol screenings
- Diabetes education and training
- Heart disease
- High blood pressure
- Nutrition and Healthy Eating
- Pediatric-focused content
- Stress Relief, Relaxation & Healthy Sleep
- Weight Management

Providing consistently outstanding care, compassionate, patient-centered service, and innovative practices is our promise to our members and Yale University. We take this promise seriously and work to achieve it every day. To meet that promise, our team has set high standards and has been continuously accredited by an independent, nationally recognized accreditation program, the Joint Commission, since 2005.
