

Certification of Individual NRSA Fellowships

Reference: [National Institutes of Health Notice Number NOT-OD-09-007](#)

The certification below is intended to fulfill the compliance requirement issued by the National Institutes of Health (“NIH”) and Agency for Healthcare Research and Quality (“AHRQ”), wherein Yale University agrees to secure and retain written assurances from the Fellow and Sponsor(s) prior to submitting an individual fellowship application to the PHS. While this assurance is not required as part of the submitted application, it is a sponsor compliance requirement. Therefore, Yale must obtain a unique signature and date from each Fellow and their Sponsor(s) for each submitted application. This assurance must be available to the sponsoring agency or other authorized HHS or Federal officials upon request.

This certification must be provided to the Office of Sponsored Projects with all new competing and non-competing (progress reports) applications and all prior approval requests for Individual NRSA Fellowships.

Fellow Certification			
I hereby certify:			
<ol style="list-style-type: none"> 1) that the information submitted within the application is true, complete, and accurate to the best of my knowledge; 2) that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties; and 3) that I have read the Ruth L. Kirschstein National Research Service Award Payback Assurance and will abide by the Assurance if an award is made, and that the award will not support residency training. 			
Fellow Signature:		Date:	

Sponsor Certification			
I hereby certify:			
<ol style="list-style-type: none"> 1) that the information submitted within the application is true, complete, and accurate to the best of my knowledge; 2) that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties; and 3) that I will provide appropriate training, adequate facilities, and supervision if a fellowship is awarded as a result of the application.
