

Individuals seeking consideration to be a Principal Investigator (herein referred to as "PI"), Co-PI or Program Director on a sponsored project who otherwise do not have this privilege should review [Policy 1310 Principal Investigator Eligibility Requirements on Sponsored Projects](#), [Policy 1316 Effort Commitment: Managing Effort Associated with Sponsored Projects](#), and the [Faculty Handbook](#), *Section XX: University Policies Concerning Teaching and Research*, in consultation with their immediate supervisor and then complete this form. All PI status requests must be prepared by the department administrator and/or the proposed PI. They must be approved by the faculty sponsor or mentor, the department chair, and the dean or provost.

Note: This form is not necessary for students, postdoctoral appointees, other trainees, or associate research scientists when submitting applications for fellowships and mentored career development awards conducted under the supervision of a designated faculty mentor/sponsor for work to be conducted in the facilities of that designated mentor/sponsor.

I, the above mentioned, approve this PI status request for the proposed PI named in this application. Further, I understand that my approval is not the final approval and requires approval of the appropriate official(s).

In approving this request, I confirm that the proposed PI:

- Will be appropriately mentored and monitored. This is particularly true if the applicant is a voluntary faculty member, trainee, or postdoctoral appointee.

- Will be provided with appropriate unrestricted dollars supporting his/her effort. These dollars may be used to prepare the proposal requiring this request. Depending on the nature of the proposal, proposal preparation effort may range from 3 to 5%.
- Possesses the necessary scientific training, skills and knowledge to serve as the PI of the project.
- Has completed the requisite training needed to oversee the financial administration and personnel on the project, and has successfully completed the Sponsored Projects Administration (SPA) for Faculty training.

Date:

- Has completed the Patent Policy Acknowledgment and Agreement (PPAA) form.

Date:

- Has completed and submitted an up to date financial interest disclosure (COI) form.

Date:

- Has completed a VA MOU (if applicable).

Date of current VA MOU:

- Has completed the required training should the project involve hazardous agents, human, and/or animal subjects, or will ensure that the training is completed prior to award depending on sponsor requirements.
- Has the expertise required to perform the project safely and in full compliance with Yale standards (if applicable).
- Will be provided the necessary facilities and resources required to conduct the sponsored project. Facilities and resources include physical space as well as secretarial, administrative and/or technical support.
