</tr>
</tbody>
</table>

5. Apportionment factor: Connecticut residents enter 1.0000. **Nonresidents and part-year residents,** see Page 2. ........................................................................................................... 5. 355

7. Credit for income taxes paid to qualifying jurisdictions: See instructions. ........................................ 7. 355

8. Subtract Line 7 from Line 6. ................................................................................................................ 8. 355

10. Add Line 8 and Line 9. .......................................................................................................................... 10. 355

11. Estimated allowable credit(s) from Schedule CT-IT Credit: See instructions. .................................... 11. 355

12. Total estimated income tax: Subtract Line 11 from Line 10. ............................................................... 12. 355

13. Multiply Line 12 by 90% (66 2/3% for farmers and fishermen). ............................................................ 13. 320

14. Enter 100% of the income tax shown on your 2015 Connecticut income tax return. See instructions. ....... 14. 375

15. Enter the lesser of Line 13 or Line 14. If Line 14 is blank, enter the amount from Line 13. This is your required annual payment. See caution below. ............................................................. 15. 320

16. Connecticut income tax withheld or expected to be withheld during the 2016 taxable year. ....... 16. 0

17. Subtract Line 16 from Line 15. If zero or less or if Line 12 minus Line 16 is less than $1,000, no estimated payment is required. ................................................................. 17. 320

18. Installment amount.................................................................................................................................. 18. .25

19. Multiply Line 17 by Line 18. Pay this amount for each installment. ........................................................ 19. 0

#### Caution: Generally, you may owe interest if you do not prepay (through timely estimates, withholding, or both) the lesser of 100% of the income tax shown on your 2015 Connecticut income tax return or 90% of the income tax shown on your 2016 Connecticut income tax return. To avoid interest charges, make sure your estimate is as accurate as possible. You may prefer to pay 100% of the income tax shown on your 2015 Connecticut income tax return.
