COMING SOON IN 2018

Coming in 2018, Yale University faculty, managerial & professional staff, and post-doctoral associates can access College Coach®. This unique program provides exclusive access to experts who have worked at top colleges around the country. They can provide the impartial guidance you need to help your child succeed.

Topics include:
- Selecting the right college savings plan
- Navigating the complex college admissions process
- Understanding strategies for student loan repayment

VISIT THE COLLEGE COACH PORTAL

Register on our easy-to-use portal today. Make sure to complete your full profile to get personalized recommendations for resources relevant to your family. You’ll have access to:

- **Live Events** — 60-90 minute presentations highlighting important college preparation strategy and other educational topics (advance registration is required)
- **Personalized Assistance** — Individualized advice from College Coach experts via one-on-one sessions and answers to questions submitted on the portal
- **Learning Center** — Interactive videos, tools and resources targeted to your student’s academic level and available 24/7

**Questions?**

Email worklife@yale.edu up until December 31st
