Benefits at Yale —
include impressive signature benefits

Yale’s health and wellness benefits, designed to support you and your family through multiple life-stages, are among the most comprehensive and affordable in the nation.

The university values its community members and regularly evaluates and adds to its menu of impressive signature benefits. Now is the time to take charge of your health and financial well-being by learning more about your full benefits offering at Yale.

Warmest regards,

Janet Lindauer
Vice President, Human Resources and Administration
Signatures at Yale

Whether you hope to buy a new home, send your children to college, or simply develop a healthier lifestyle for you and your family, Yale provides many valuable benefits and resources to help you achieve your goals.

Education

College/Graduate programs provide your child the college success and financial assistance they need while you plan for your retirement. Work-life benefits and educational designations for college tuition, application and admissions processes.

Healthcare

Wellness services provide you and your family round-the-clock access (24/7) to primary care physicians and other specialists for primary care, preventive care, and acute care.

Scholarship

All offers a partial college scholarship to your eligible college-bound children if you work full-time for one year or more.

Nutrition

Nutritional counseling helps guide you and your family to improve your overall health and well-being.

Health

On-site Health Coaching provides one-to-one support for your eligible household members. Counseling sessions are confidential and at no cost to you and your eligible household members.

Counseling and Support Services

The University offers a range of comprehensive support services for children, families, and caregivers.

Homework Connections

Provides free 24/7 access to online tutoring for courses taken toward degree and non-degree programs.

Child Development

Provides family-friendly supports through Bright Horizons, a child care, daycare, and tutoring center.

Commuter and Tuition Reimbursement

Flexible Spending Accounts (FSA) offer discounted premiums on home, auto, and pet insurance. You can conveniently pay for your medical expenses through your HSA or FSA, save you money if you take the bus, train, or vanpool to work or if you park in an on-campus parking lot.

Yale Health

Yale Health offers comprehensive health and dental benefits.

Cultural & Recreational Benefits

Yale provides many valuable benefits and resources to help you achieve your goals.

Whether you hope to buy a new home, send your children to college, or simply develop a healthier lifestyle for you and your family, Yale provides many valuable benefits and resources to help you achieve your goals.
