TEACHING TEACHING TEACHING and ALL with the nicest smile and never making me feel like a burden. He is so smart and a joy to work with. Thank you for everything Menhaj!"*

Susannah Gobbi to Rodney Brunson: *"Rodney, Thank you for your outstanding leadership on the AP Supplier Setup project. Your presentation was outstanding at the OneFinance meeting on November 8th! You were confident in your recommendation, had a command of all the details and background that the OneFinance team may ask, and did a great job anticipating questions. You ROCK! Because of the solid business case you presented, the AP Supplier project was approved to move forward with an investment in a new solution. Well done!"*

Elizabeth Bilodeau to Valerie Hallstrom: *"I'd like to take a moment to recognize the tremendous work that you've done to clean up fund and funding component mismatches. You've gone out of your way to take a deep dive into root cause and collaborate with others to close the gaps in this area. In recent months, the mismatches have been minimal. Congratulations and thank you for all of your hard work and dedication to this and so many other cleanup efforts!"*

Elizabeth Bilodeau to Elizabeth Burnell: *"I wanted to take a minute to formally thank you for your leadership on the NSAR Phase 2 project. You've provided superb PM support (as always).
