1 RESEARCH ENTERPRISE DATA MART, NIH REQUIRED UPDATES TO THE OTHER SUPPORT REPORT

Summary

The Research Enterprise Data Mart team is developing an updated version of the Other Support Report designed to meet the National Institutes of Health requirements going into effect on January 25, 2022

- Development of the new format for the Other Support Report includes a solution for the new requirement to provide supporting documentation on foreign contracts and agreements

Details

To meet the new National Institutes of Health (NIH) regulatory guidelines effective on January 25, 2022, the Research Enterprise (RE) Data Mart team is updating the NIH Other Support Report (in support of PHS 398/2590). In accordance with the NIH updated requirements for principal investigators, the new version of the Other Support Report will include content and format changes for project and proposal information and will be available as a Word template.
In addition, the solution will address the new requirement to provide supporting documentation on foreign contracts and agreements. The RE Data Mart team is working closely with Department Administrators to ensure the Other Support Report meets the needs of the Research Enterprise community.

The Other Support Report will go live in November 2021. Please watch for future communications on Other Support Report training opportunities from the Office of Research Enterprise Operations (OREO) team.

2 PROCEDURE 1307 PR.02 AS OF SEPTEMBER 17, 2021

The following procedure document is now published and effective. Please discuss the following procedure was published and effective. Please discuss the document with the appropriate people in your department and send any questions to controllers.office@yale.edu.

• Procedure 1307 PR.02 Managing Subrecipient Activity Associated with Sponsored Programs – Revised

In response to Internal Audit review recommendations, Procedure 1307 PR.02 Managing Subrecipient Activity Associated with Sponsored Programs has been updated to clarify the proper management of processing subrecipient invoices and prepayments to subrecipients. It is important to note that Procedure 1307 PR.02 has not changed substantively; rather, details have been added to provide additional clarification and increase compliance with University and federal policies.

3 NIH OCTOBER 5TH R01 PROPOSAL DEADLINE ACTIVITIES AND REMINDERS

In preparation for the NIH R01 deadline on Tuesday, October 5th, please note the following:

Monday, October 4th Proposal Review and Submission Activities

The Proposal Team will:

• review proposals in the order received.
• approve and submit (if no changes are required) or return the proposal for corrections, all proposals received by OSP before 2:00 p.m. on October 4th, 2021. Proposals received after 2:00 p.m. may not be reviewed until Tuesday, October 5th, 2021.

Tuesday, October 5th Proposal Review and Submission Activities

• Proposals will continue to be reviewed in the order received. Please ensure that proposals are submitted to OSP as early as possible to allow sufficient time to resolve issues (including system issues) and make corrections. Proposals will not be reviewed out of order for any reason.
• If a last-minute submission is expected, let your OSP Proposal Manager know as soon as possible.

Satisfying Compliance Requirements and Other Reminders

• If there is effort/salary for personnel from departments outside of the responsible cost center, that Department Business Office must be included in the PD route to review and approve the effort in the proposal.

• All PIs/PDs (PI, Multiple PIs,) of an application must complete Sponsored Projects Administration Training for Faculty. The training and quiz can be accessed by clicking on the following link: https://bmsweb.med.yale.edu/tms/tms_enrollments.offerings?p_crs_id=1073&p_std_id=#

• The PI and other Yale proposal personnel must complete, prior to submitting the proposal to the sponsor, the following:
  o Patent Policy Acknowledgement and Agreement (all Yale individuals listed in the proposal)
  o Current External Interests Disclosure form (only individuals identified in the proposal as being responsible for the conduct, design, or reporting of the research)
  o Current VA MOU, if applicable

• The following resources may be of assistance in the preparation of a proposal:
  o Yale Frequently Needed Facts https://your.yale.edu/research-support/office-sponsored-projects/resources/frequently-needed-yale-facts

On behalf of the OSP Proposal Team, we appreciate your cooperation and collaboration in facilitating the timely and accurate submission of proposals.
4  REVISION OF NSF AWARD TERMS AND CONDITIONS

The following sets of NSF Award Terms and Conditions have been revised:

- NSF Agency Specific Requirements to the Research Terms and Conditions (ASR);
- Grant General Conditions (GC-1);
- Cooperative Agreement Financial & Administrative Terms and Conditions (CA-FATC);
- Cooperative Agreement Modifications and Supplemental Financial and Administrative Terms and Conditions (CA-FATC) for Major Multi-User Research Facility Projects and Federally Funded Research and Development Centers; and
- Administration of NSF Conference or Group Travel Award Grant Conditions (FL 26).

The revised terms and conditions will apply to all new NSF awards and funding amendments to existing NSF awards made on or after October 4, 2021.

The terms and conditions incorporate a new article on Domestic Preferences for Procurements. The CA-FATC also contains a new article on Made in America. All sets of award conditions are accompanied by a summary of changes made to that document.

5  NIH LOAN REPAYMENT PROGRAM APPLICATION

The NIH Loan Repayment Program (LRP) has started another cycle. In this cycle, applicants can now apply through ASSIST, the Application Submission System & Interface for Submission Tracking system. The submission window opens on September 1, 2021, with the deadline of November 18, 2021. Adrienne Marable is the Institutional Business Official (IBO) for Yale University. The Commons ID is AMARABLE, and the email address is osp@yale.edu.

**9 JUSTICE GRANTS SYSTEM (JUSTGRANTS) PLANNED OUTAGE**

An Announcement from the Department of Justice

During a planned year-end reconciliation of the Department’s Financial Management System, JustGrants will be unavailable from 11:30 p.m. ET on Thursday, September 30, 2021, until 5:30 a.m. ET on Friday, October 8, 2021.

During this time, users will not be able to access JustGrants.

DOJ’s financial management and JustGrants systems are closely integrated. Therefore, JustGrants must be offline when the financial management system is unavailable. If you attempt to access the system during this outage, you will receive an alert message indicating that [JustGrants will be back online at 5:30 a.m. ET on Friday, October 8, 2021](#).

To prepare for the system outage, we advise you to complete any time-sensitive actions in JustGrants as soon as possible before September 30 at 11:30 p.m. ET. As a reminder, JustGrants is routinely unavailable from 1:00 a.m. to 5:00 a.m. ET on weekdays and between 8:30 p.m. ET on Saturday and 9:30 a.m. ET on Sunday to allow for the transfer of data between the DOJ financial management system, the System for Award Management (SAM) and ASAP systems.
