MULTIPLE DWELLING UNIT (Livable City Initiative License Required):
In conjunction with the City of New Haven and the Livable City Initiative (LCI), a license is required when a non-owner-occupied dwelling of one or more units is rented. The LCI licensing and inspection program is designed to protect the health, safety & welfare of New Haven residents and improve their quality of life. A rental license helps assure renters that the licensed property has met the minimum standard and provides landlords with consistent enforcement codes. For more information, please visit the following website: www.cityofnewhaven.com/lci. LCI can also be reached at 203.946.7090 or by fax at 203.946.4899.

If your property fits the requirements as a multiple dwelling unit, you must provide your license number with the listing.
