

# Campus Security Authorities at Yale

## Who

You! CSAs are police, security, or other individuals with significant responsibility for students, campus activities, and safety, beyond the classroom.

## What

Report all crimes reported to you to the Yale Police. This includes all crimes, not just Clery crimes.

## Where

Provide the location where the crime occurred.

## When

Report the crime as soon as the information is reported to you so we can assess for any possible notifications. Include details of when crime occurred.

## Why

The Clery Act mandates it! The purpose of this is to provide transparency, to keep campus safe, and to prevent similar crimes from occurring.

## How

Please visit the CSA Reporting form at <https://your.yale.edu/community/public-safety/resources/csa/csa-annual-reporting> to report a crime.
