## **Unable to Run or Schedule: *Sponsored Financial Status Report - Yale***

The Office of Sponsored Projects (OSP) has received several calls about individuals not being able to run or schedule the "*Sponsored Financial Status Report - Yale*."

A case has been opened with Workday and they are actively working on this issue. A fix is expected to be delivered during the service update on the evening of Friday, August 9, 2019. A temporary report, i.e., *Sponsored Financial Status Report - Yale - Temp*" has been created to use until the fix is in Production.

Updates will be provided as additional information becomes available.
