

Create your own Wordle!

***A fun way to reinforce a key theme and
spark a little friendly competition!***

To create your custom Wordle:

- Click on [the link](#).
- Type in the word of your choice. It could be random, seasonal, or related to your meeting topic or theme.
- The site will generate a link for you to share with your team.
- Employees can compete individually or in teams to see who can get the right answer in the least number of attempts!
