

Make digital meetings delicious

From lectures, labs, study periods, fundraising events, planning your semester, or just regrouping with your class or team, food brings everyone to the table.

Offer remote flexibility

Everyone can enjoy their meal at home, no matter where they call in from.

Create temporary budgets for digital meetings

Each attendee has a set budget and rules for ordering their individual meal.

Keep costs low

Once your budget is set, you'll only pay for individual meals that are ordered.

Consolidate orders to one invoice

Say goodbye to stacks of invoices. Get one invoice for food expenses.

Get local favorites delivered

Satisfy every taste bud with a selection of the best local restaurants nationwide.
