Yale

IRB Compliance Statement

This notice serves to acknowledge that Yale University registered Institutional Review Boards (IRBs) operate in accordance with applicable laws, regulations, and policies governing IRB operations. This includes compliance with the International Conference on Harmonization (ICH/Good Clinical Practice (GCP)) guidelines consistent with United States (US) Food and Drug Administration (FDA) regulations under Title 21 CFR sections 50, 56 and 312 of the Department of Health and Human Services (DHHS), as well as regulations under Title 45 CFR 46.

The five (5) Yale University registered IRBs include:

- IRB #1 – Human Subjects Committee (HSC): 00000594
- IRB #2 – Human Investigation Committee (HIC I) - 00000595
- IRB #3 – Human Investigation Committee (HIC II) - 00000596
- IRB #4 – Human Investigation Committee (HIC III) - 00000730
- IRB #5 – Human Investigation Committee (HIC IV) - 000006865

The IRBs for the review of biomedical research operate under the name of the Human Investigation Committee. The IRB for the review of social, behavioral, and educational research operates under the name of the Human Subject Committee.

The Yale University Federalwide Assurance (FWA) number is
- FWA00002571.
