Grant Application: The 2017 application link will be provided to the nominee; it is not posted on the sponsor's website.

FUNDING

Up to \$100,000 over 2 years to cover the costs of the proposed research project. (Total: \$100,000, including 15% indirect costs). If requested, funds can be used entirely in a one-year period.

NOMINATION LIMITATION

Two candidates can be nominated – one each from the Schools of Medicine and Public Health.

PURPOSE

The Foundation's focus is on funding innovative translational research in ovarian, uterine, breast or cervical cancer. Translational research is broadly defined as research that will provide a scientific link between laboratory research and the clinic. Ultimately, such research would lead to improvement in diagnosis, prognosis, prevention, or treatment of cancer.

ELIGIBILITY

- Open to all **junior and senior ladder faculty**.
- U.S. citizenship is not required.
- Time to be devoted to research: not restricted.

RECENT RECIPIENTS CURRENTLY AT YALE:
