** DESCRIPTION OF FRINGE BENEFITS RATE BASE:**

Salaries and wages.
SECTION II: SPECIAL REMARKS

TREATMENT OF FRINGE BENEFITS:
The fringe benefits are charged using the rate(s) listed in the Fringe Benefits Section of this Agreement. The fringe benefits included in the rate(s) are listed below.

TREATMENT OF PAID ABSENCES:
Vacation, holiday, sick leave pay and other paid absences (excluding terminal vacation pay, vested sick pay, and short-term disability) are included in salaries and wages and are claimed on grants, contracts and other agreements as part of the normal cost for salaries and wages. Separate claims are not made for the cost of these paid absences.

1. The rates in this agreement have been negotiated to reflect the administrative cap provisions of the revision to OMB Circular A-21 published by the Office of Management and Budget on May 8, 1996. No rate, except see #2 below, affecting the institution's fiscal components is in excess of that 26 percent cap.

2. This rate is not subject to the 26 percent cap in #1 above.

3. The Off–Campus rate applies to effort performed on premises not owned by the University at locations sufficiently far from the campus to prohibit the normal use of University facilities and services.

4. This rate is applicable to grants and contracts awarded to Yale for Yale employees directly involved in the performance of work at the Connecticut Mental Health Center.

5. This rate is applicable to grants and contracts awarded to Yale for Yale employees directly involved in the performance of work at the Veterans Hospital in West Haven.

6. Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per–unit acquisition cost which equals or exceeds $5,000.

8. The Exempt rate category (Formerly TIAA/CREF F/T) consists of Managerial & Professional Employees, Post-Doctoral Associates and Faculty.

9. The Non-Exempt rate category (Formerly Non-TIAA/CREF F/T) consists of the Service & Maintenance and Clerical & Technical employees.

10. Part Time rate category consists of temporary and PT permanent employees (< 20hrs per week) ineligible for benefits.

Your next IDC proposed based on actual costs for the fiscal year ending 06/30/2022 is due in our office by 06/30/2023, and a Fringe Benefit proposal based on actual costs for the fiscal year ending 06/30/2023 is due in our office by 12/31/2023.

The one year rate extension of the indirect cost rate was granted in accordance with the OMB Memorandum M-20.17.

This rate agreement updates fringe benefit rates only.
SECTION III: GENERAL

A. LIMITATIONS:
The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions: (1) Only costs incurred by the organization were included in its indirect cost pool as finally accepted: such costs are legal obligations of the organization and are allowable under the governing cost principles; (2) The same costs that have been treated as indirect costs are not claimed as direct costs; (3) Similar types of costs have been accorded consistent accounting treatment; and (4) The information provided by the organization which was used to establish the rates is not later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

B. ACCOUNTING CHANGES:
This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in the charging of a particular type of cost from indirect to direct. Failure to obtain approval may result in cost disallowances.

C. FIXED RATES:
If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

D. USE BY OTHER FEDERAL AGENCIES:
The rates in this Agreement were approved in accordance with the authority in Title 2 of the Code of Federal Regulations, Part 200 (2 CFR 200), and should be applied to grants, contracts and other agreements covered by 2 CFR 200, subject to any limitations in A above. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the Agreement.

E. OTHER:
If any Federal contract, grant or other agreement is reimbursing indirect costs by a means other than the approved rate(s) in this Agreement, the organization should (1) credit such costs to the affected programs, and (2) apply the approved rate(s) to the appropriate base to identify the proper amount of indirect costs allocable to these programs.
